Dungeons and Dragons is an action-packed adventure game played on tables with props and scenes to bring the game to life. Probability plays a role as you roll your dice to discover your fate and the next move.

No experience needed, just a hardy imagination and willingness to learn.

If you are able, please bring 6-sided dice.

## The Campaign

Flare Ember a universe where fantasy comes to life and the fae rule their Earth like planet. Iron is banned and the fae leaders keep a close eye on other species of fantasy creatures to prevent uprisings.
